

Welcome to Shapleigh School's Celebration of Learning

Parents and Guests are welcome to explore the hallways of Shapleigh School and enjoy the samples of student work found in each grade level area. Also don't forget to check out the following exhibits;

- ❑ 4th Grade homerooms displaying animal research, student treasure books and various other exciting work!
- ❑ 5th Grade Smorgasboard!! Too much to list! Come up to our hall and check it all out. There are posted signs with all there is to see!
 - ❑ 6th Grade "Cell-ebration" of Learning in the Gym! Inflatable cell will be up for display/tours along with a "tour of our work" checklist to work through with your guests!
 - ❑ 6th Grade Spanish "Soy yo", passport projects, and country projects on student laptops in the Gym.
 - ❑ 7th Grade rooms will be full of amazing artifacts! Come check them out!
 - ❑ 7th Grade "Dia del Planeta Tierra" posters and paragraphs in the 7th Grade hallway
 - ❑ 7th Grade Reader's Theater video in Mrs. Fifield's Spanish classroom
 - ❑ 8th Grade Student ABC Books and Presentations in the Cafeteria from **5:30-6:30**
 - ❑ 8th Grade Artifacts on display upstairs in the 8th Grade wing all evening!
 - ❑ 8th Grade Spanish "Soy yo" projects and 8th Grade collages and paragraphs in the hallway outside of Mrs. Fifield's Spanish classroom.
 - ❑ Civil Rights Team Project Celebration in the Art Room **5:40-6:00**. Books and video will be available to view all evening.
 - ❑ Yearbooks can be reserved by purchase near the bookfair from **5:00-6:00**.
 - ❑ Art Slide Show on the Cafeteria monitor and painting workshop display in the main entrance hallway
 - ❑ Band and Chorus recording of Spring Concert in the Music Room
 - ❑ 4th Grade 'Me Trees', 6th Grade Zentangles for stress relief, and a 5th Grade slideshow of the year in review on display in the Health Room. A sampling of 5th Grade friendship 'advertisements' in the hallway by the Health Room.
 - ❑ A PE video will be playing in the gym highlighting some of the games we play here at Shapleigh!
 - ❑ A video in the Tech Ed room featuring 5th Grade presentations on "A Day Without Technology" and 6th grade iMovies on impacts of "Robotics and Automation"
